VOYAGER ESTATE

MARGARET RIVER

OUR PATCH OF MARGARET RIVER

ORGANICALLY FARMED. FAMILY OWNED.
SINGLE ESTATE GROWN & MADE.

The story behind every bottle begins in our little pocket of southern Margaret River, Stevens Valley, a place where idyllic microclimate, ancient geology and coastal influence converge to create our distinctive Voyager Estate style.

Our ultimate ambition couldn't be simpler – to craft wines that do justice to our extraordinary climate and soils through some of the purest expressions of Chardonnay and

Cabernet Sauvignon in the world. We're proud to have harvested our first certified organic grapes in 2020, with the entire vineyard fully certified organic by 2023.

Through our continued focus on sustainability, craft and innovation, we aim to shine a light on Margaret River, one of the world's great wine regions, and our special place in it.

GREAT WINE, EXCEPTIONAL FOOD & WARM HOSPITALITY

WE BRING TOGETHER A LOVE OF GREAT WINE,
