

VOYAGER COMMUNITY

We feel so lucky to have been part of establishing the vibrant Margaret River community since our founder, Michael Wright dipped his shovel into Voyager Estate soil 30 years ago.

Since then, we have contributed to the local community by leading the way in sustainable farming practices; revegetating the Boodjidup catchment; attracting tourism to the region; participating in Owl Friendly Margaret River; and many other initiatives. We have donated prizes for countless fundraising raffles and auctions. But we always want and need, to do more.

That's why we established Voyager Community – a commitment to funding two areas close to our hearts: the environment – our place, and community wellbeing – our people. Our focus is on grassroots projects making a direct impact across the Margaret River Region, from Busselton to Augusta.

Voyager Community is our way of ensuring our support makes a meaningful difference to this magnificent region we call home.

Some of our successful applicants from our 2025 Community Grants are as follows; The Witchcliffe Volunteer Bushfire Brigade received a grant to purchase 6 UHF CB radios, Margaret River Roller Derby purchased 12 Si lifer helmets for additional team safety, and The Margaret River Community Centre purchased a new Lazyboy for their Senior citizens

HOW DO I APPLY?

If you have a project fulfilling the below criteria, please fill in this document, save it and attach your application in an email to: community@voyagerestate.com.au

Once received, we will be in contact with you to advise you when applications close and if your Community Group has been successful.

VOYAGER ESTATE

MARGARET RIVER

VOYAGER COMMUNITY APPLICATION FORM

Project Name

Do you represent a voluntary-led local community organisation? Yes No

If no, please note that Voyager Community focuses on grassroots projects that have a direct impact on residents in the Margaret River Region (Busselton to Augusta). For queries falling outside of the region please contact our Brand Team via email: press@voyagerestate.com.au

Please tell us about your organisation

Is your project related to improving “community wellbeing” or “environment”? Yes No

If no, please note that the team have agreed these two areas will be our core focus for now.

Please explain how your project fits ‘community wellbeing’ or ‘environment’

Who will this project benefit, both directly and indirectly?

When do you expect your project to begin & end?

How much funding do you need for your project? *(We provide between \$500 - \$2,000 for successful projects)*

If successful, do you consent to your project being a case study & used for promotional purposes?

Yes No

Additional comment or information
